

Important Notice from the Trustees of the Trust Funds

Because of the downstairs renovations at the Sandown Town Hall, we have lost our meeting place. We have been told that we cannot use the room until after the first of the year. Instead of attempting to find another public place to meet, we have decided to suspend the trustees meetings until Monday, January 15th.

If anyone has any business to bring before the trustees before that time, please contact any one of us.
