Mr. Rolph, principal of Sandown Central has agreed to allow Tom Tomberello return the electrical board to the school on the following Monday after the events. Because of this we were able to decrease to custodial hours from 6 hours to 4 hours. This allowed us to budget \$ in other areas needed. New hours for the custodian will be 8am to noon. Paula will contact Mr. Rolph and let him know of the change. Total will now be \$120.00 instead of \$180.00. Paula will request a revised invoice from Mr. Rolph.
