

# ASSESSOR'S ANNUAL REPORT

The firm of Municipal Resources (MRI) continues to be contracted to handle the assessing functions for the Town of Sandown. The primary members of the staff working in Town are Scott Marsh and Seth Giberson. Additional staff members may be assisting. The Board requests that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering their questions as well as allowing them to verify the data of your property. Due to current health conditions, interior inspections will be limited.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Town's Office staff can schedule one for you.

The past year saw the assessing office handle four abatement requests. There were around 200 properties reviewed due to taxpayer inquiries, issued building permits, incomplete status of prior year permits and/or site changes. As a result, the Town's net taxable valuation increased around \$9,700,000. We are also continuing the process of reviewing a portion of properties each year to ensure the accuracy of the details listed on individual property record cards.

An analysis by the DRA of the annual equalization sales survey has been completed and the Town's overall median assessment ratio as of April 1, 2019 is 80.4%.
