

**Driveway Paving Permit
Application-\$20.00**

To Road Agent: _____

Date _____

Permission is requested to pave _____ driveway(s) located on the
_____ side of _____ St./Rd. in the town
of Sandown.

As the landowner/applicant, I hereby agree to the following:

- 1. No changes will be made to the existing driveway configuration unless I have first completed and filed a driveway permit application and received approval from the Road Agent.*
- 2. No changes will be made to the drainage structures used to handle runoff unless an arrangement has been made with the Road Agent and/or Board of Selectmen.*
- 3. The driveway apron shall include a platform with a negative slope of 2 percent running not less than 6 feet inward from the edge of pavement (Art. II, Part C, Section 3 of Sandown Zoning Ordinances).*
- 4. To hold harmless the town of Sandown and its duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.*

Permit # _____

Date _____

*Permission to pave an existing driveway located in Sandown, NH at
_____ is hereby granted. Failure to adhere
to specifications and failure to complete paving within one year
from the date of this permit shall render this permit null and void.*

*If paving of the existing driveway exceeds the original configuration
on file with the town, measures will be taken to remove the excess
pavement and to correct the problem. Costs shall be borne in their
entirety by the permittee.*
