

**Minutes
Sandown Cable Access Board
Town of Sandown, NH**

Meeting Date: September 28, 2021
Type of Meeting: Regular Public Meeting
Method of Notification: Public Posting – Two locations at Town Hall
Meeting Location: Sandown Town Hall, Upper Hall
Present: Richard Lewis, Chairman, Chris Donnellan, Vice-Chair, Al Correia and Eric Olsen
(Selectman Ex-Officio)

Recording Secretary: Erica Olsen

Richard Lewis called the meeting to order at 7 p.m.
The Pledge of Allegiance was said.

The minutes of were reviewed.

Mr. Correia made a motion to accept the minutes of August 10th 2021 as amended. **Motion seconded** by Mr. Donnellan. All voted in favor. **Motion carried.**

Station Manager Report

Mr. Donnellan was happy to report that things are started to happen again. The chicken barbeque was held in August. Mr. Correia interviewed town people. Some of the guest that was interviewed were former Chief Tapley, Carroll Bassett, Jerry LaChance, Chris Poole. Mr. Donnellan mentioned that the Fire association would like to have Channel 17 video tape having a tour at the fire station.

Mr. Lewis would like to see a quarterly video from the fire and the police. It would be a great community outreach for all parties. Fire department could mention that it would be time to replace the batteries in your fire alarm, mention what the fire department can offer. Along with the police department, do you have a security issue that the police could look at.

Mr. Donnellan was able to make OHD the last hour to video tape. Did not know that it was reschedule to Sunday.

An update on the recreation building, Mr. Donnellan never heard back from Access AV. After multiple tries. Mr. Donnellan would like to get more then one bid, but if. Ockers Company sent a quote of \$7,837.00. Mr. Donnellan said that he has worked with Ockers Company and is happy with their work. Another feature is that it has streaming capability. Mr. Lewis thought that comcast provided internet connection to all Town Buildings, with basic cable services. Selectman Olsen would like it brought to the recreation commission along with the Board of Selectman.

Access A.V came to fix an issue with a HDMI cable. How it should work is get the remote, bring down the screen and plug in the computer HDMI cable to the wall and all should be good.

Other Business

Mr. Correia had a question about the cameras at the recreation building. Can an outside group project a power point using the set up at the recreation? Mr. Donnellan, said no. This is something that could be done now with your own computer and projector. And project on the wall.

The next cable meeting will be **October26th, 2021.**

The Board is always looking for new members and program ideas.

At 7:19 pm. Mr. Correia **made a motion** to adjourn. **Motion seconded** by Selectman Olsen. All voted in favor. **Motion carried.**

Respectfully Submitted,

Erica Olsen
