

Sandown Cable Board
Minutes
November 23rd, 2021

Date: November 23rd, 2021

Place: Sandown Town Hall

Members Present: Richard Lewis, Chairman, Chris Donnellan, Vice-Chair, and Al Correia

Members Absent: Eric Olsen (Selectman Ex-Officio)

Opening:

Richard Lewis called the meeting to order at 7:07 p.m.

The Pledge of Allegiance was said.

Mr. Lewis **made a motion** to approve the meeting minutes form October 26th as amended **Motion seconded** by Mr. Correia. All in favor. **Motion carried.**

Mr. Donnellan mentioned that Channel 17 is not on Comcast, screen is frozen. A call has been made and hopefully the issue will be fixed tomorrow.

Mr. Donnellan talked to Lynne Blaisdell about flag that the Heritage Commission had purchased. Mr. Donnellan had notice that there is a flag holder at the double doors. Mr. Donnellan thought it might also be in the way of the cameras.

An email was sent out to Chris Poole, (Fire Engineer Captain) in regard to doing an interview. Mr. Donnellan said it's all about the fire station, so whatever Chris Poole would like to talk about it fine. Haven't touched base on a date.

The projector HDMI switcher was ordered and received. Was about \$80.00. Tried several times and it works great. Seem that it took a whole step out with the new HDMI switcher. 2 inputs by 4 inputs. It's a good default with the remote.

Mr. Correia mentioned that he thought that Mr. Donnellan is doing a great job.

Mr. Lewis is to meet with the Recreation Board and Mrs. Brown on December 15th, 2021 in regards to the setup of the video equipment. Mr. Lewis will get in touch with Mr. Donnellan to make sure that he has all the information needed.

COVID 19 is still around, and Mr. Lewis would like to put a public service announcement from DHSS about COVID 19. Channel 9 ~ WMUR had a public service announcement that maybe Channel 17 could use. Mr. Lewis will investigate to see if he can connect with the right people to let him use the announcement as Channel 9. Mr. Donnellan mentioned that DHSS used to do a weekly announcement that was used on Channel 17, but now they have gotten out of sending ones out. Mr. Correia suggested

45 maybe we could get a little personal with a Newscaster to come and do a broadcaster at
46 the Town Hall or a Doctor to talk about the safety of COVID 19 and about getting the
47 booster shot.
