

Sandown Cable Board
Minutes
June 28th, 2022

Date: June 28th, 2022

Members Present: Richard Lewis, Chairperson, Chris Donnellan, Vice-Chair and Eric Olsen (Selectmen Ex-Officio)

Members Absent:

Opening: Mr. Lewis called the meeting at 7:00 pm.
The Pledge of Allegiance was said.

Mr. Lewis made a motion to approve the April 26th, 2022. **Motion second** by Selectmen Olsen as amended.

Mr. Donnellan informed the board that the equipment for the Recreation Build is in. The company did let Mr. Donnellan know that they do need 2 days for the installation. Mr. Lewis would like to let the company know that all equipment needs to be wrapped up and secured, seeing that the Rec summer program uses the building during the week. Selectman Olsen also made a suggested that Mr. Donnellan should find out what they are doing on day one, compared to day two. Maybe day two is for training the Recreation Director.

Mr. Donnellan was in contact with the Fire Chief, Mr. Donnellan informed the Chief all questions are what they would like to talk about and show the awareness of fire safety. A fall time frame is in the works.

Mr. Donnellan informed the board that Rachel gave her notice. Currently Mr. Donnellan is able to do Wednesday nights. Drake is also willing to step up to cover any meetings. At the moment Mr. Donnellan feels that there is no hurry to fill the position. Mr. Lewis would like to get this out there sooner then later.

Mr. Lewis asked if Mr. Donnellan went in front of the BOS for their permission of the equipment at the Rec building. All were fine with this. Mr. Lewis also talked about the renewal of the contract that is coming up 2 years in July. He will put together a timeline of what needs to be done on a course of 6 months and 3 months. Still looking to get ahold of an attorney that the board can work with for the renewal of the contract. Would like to talk to Comcast in a year out of renewal. Also, would like to get input from the BOS, Town People. Mr. Donnellan will send an email to Dean Zanello he is the Plaistow cable manager, to see what attorney they might have used. Mr. Lewis asked about the fishing derby. A drone was used and operated by Drake and it is being aired on Channel 17 for showing. Mr. Donnellan also mentioned that he could

45 use the drone at the Road Race starting point. Mr. Donnellan will be taping the OHD
46 event on Saturday Aug 13,2022,

47

48 Selectman Olsen asked if Mr. Lewis got in touch with person that was interested about
49 becoming a member of the board. Mr. Lewis had reached out a few times with no
50 response back.
