Mr. Donnellan also wrote the reviews for both Jarred and Drake, will set up time for their reviews. Mr. Lewis asked if they are both at level 2, would like to see Jarred as a level 2 even though Jarred will be leaving at the end of year. Mr. Donnellan has said that Drake has not gotten to level 2. Drake has only been working at the station for about 8 months and would like to have him work towards level 2.

Other Business

Mr. Correia videoed a program at the library. Kindermusic, all the families looked like they had fun. Drake videoed a program also at library, called Herbs with Allie. Mr. Correia would like to thank Mr. Donnellan for the edited technique. Mr. Correia would also like to have the library

42 director interviewed; a list of questions will be handed out the director prior to taping. Mr.
43 Correia asked the board if they would like to see the list of questions. The board felt that at this
44 time they did not need to see the questions. Mr. Correia would like to have another person doing
45 the video while he does the interview. Suggestions were made that he could add pictures, or
46 video tape an image that could be added into the video. Mr. Donnellan would like to have a
47 form filled out for a paper back up.

50 company New Tech that makes the Tri-caster for streaming got it to work, could not get it to
51 work a 2nd time. The control room is very hot that you cannot last that long in there. An email
52 to the A.C guy has gone out with no luck on getting in touch with him.
