The Sandown Firefighters Memorial

Commemorating Faithful Service to the Community

Why a Memorial?

A person cannot leave a better legacy than one of dedication, respect, compassion, hard work, and bravery.

How does one pay tribute to those who have dedicated their lives in the service of saving their neighbor's life or property? That is what the members of the Sandown Volunteer Fire Department have been discussing for some time. You see, we lost a firefighter in the line of duty for the first time a little over a year ago. Then this past year we lost another active firefighter, who over the course of his 56 years of volunteer service helped form this department, later becoming Chief for 24 of those years. The firefighter's family is one of a brotherhood and sisterhood that we are proud to be a part. So, the question remains, how do we pay tribute to those who give their service as volunteer firefighters to this community?

The members of this department have decided to undertake an enormous task — that of building a memorial to those firefighters that have served this community past and present. As volunteer firefighters, we serve for one sole purpose, it needs to be done and it's the right thing to do. We don't get paid to do the work, we just see the need and take care of it. With this memorial we can pay some homage to those members, past and present.

How can I help?

Several options are available for any citizen, organization, or business that would like to help support their neighbors by sponsoring the memorial.

First, there is an opportunity to become a major sponsor by purchasing one of the three flag poles, or one of the 4 plaques. Secondly, you could purchase a flag, or an engraved brick. Purchasing

"When a man becomes a fireman, his greatest act of bravery has been accomplished. What he does after that is all in the line of work."

— Edward F. Croker
Chief FDNY, 1899-1911

a personalized engraved brick will show your support for the memorial and can be engraved with your name, the name of a firefighter, or in memory of a loved one that you would like to honor. What a wonderful opportunity to commemorate those we honor and who provided faithful service to our community.
