

INFORMATIONAL RELEASE

Date: March 18, 2020 5:00 PM

RE: Coronavirus 2019 (COVID-19)

Release: #4

The Town of Sandown commits to providing updates at a minimum of every 48 hours commencing or sooner if necessary.

UPDATE: As we move forward, and to minimize information overload now that the initial message has been published these releases will include only new information that has not been published previously as well as limited static information. Residents may go to the following link to review previously published data.

<https://www.sandown.us/health-department/pages/covid-19-information>

Effective immediately all Town Offices will be closed to the public.

For transactions that can be performed on-line, such as motor vehicle renewals, dog license renewals, please go to www.sandown.us to complete those transactions through the Town Clerk's page.

If you have questions or need assistance, call **(603) 887-3646** and follow the menu prompts to reach the appropriate department or email the department via the town website.

Governor Chris Sununu Issues Emergency Orders 6, 7, 8

Emergency Order #6: Temporary authorization for take-out or delivery beer or wine. All restaurants, diners, bars, saloons, private clubs or any other establishment that have both a restaurant license and on-premise license from the New Hampshire liquor commission shall be temporarily authorized to allow for takeout or delivery of beer or wine.

“We appreciate the sacrifices many have made throughout COVID-19 developments,” said Governor Chris Sununu. “This emergency order will allow for patrons to also order beer and wine from their favorite restaurants when ordering pickup or delivery.”

Emergency Order #7: Temporary modification of data and privacy governance plans.

“This order will give school districts greater flexibility when developing remote learning software tools,” said Governor Chris Sununu. “Student privacy is paramount, and all applications and software still must meet rigorous Department of Education privacy standards.”

Emergency Order #8: Temporary expansion of access to Telehealth Services to protect the public and health care providers.

“Ensuring Granite Staters can receive quality health care without having to increase their exposure to COVID-19 is important,” said Governor Chris Sununu. “This order will ensure health care practices can continue.”

Updated 3/18/20 Other Town Modifications:

- **All previously published modifications are still in place**
- All Sandown Senior Affairs Transportation Program rides have been cancelled
- The Sandown Transfer Station is OPEN

ALWAYS CALL 9-1-1 IF THERE IS A LIFE-THREATENING EMERGENCY

Residents are encouraged to obtain factual up to date information from official state and local suggested sources, not social media.
