HEALTH OFFICER REPORT

‘As Health Officer I continue to enforce State of New Hampshire NRS’s, laws, and other local ordinances that Health Officers enforce.

Numerous complaints were received and investigated regarding food service, housing, animals, vector & rodent control, septic systems, wells, and general environmental.

Routine inspections and plan reviews of septic systems, soil testing, wells and foster care homes were conducted during the year.

All wells that service town owned buildings were tested quarterly and reports were sent to state Department of Environmental Services.

Would like to thank Paul D’Amore and Lynne Blaisdell for their guidance, Paula Gulla for Administration, and Gayle Hamel for budgeting.

Respectfully Submitted,

Mark F. Tolman Health Officer / Registered Sanitarian
