

44

45 **Marketing**

46 Banners were purchased and Bob Brouder presented the members with a draft poster to
47 be revised for this year's event. Corrections will be made and passed along to Bob or
48 Paula for the next meeting. The committee should be advertising to Save the Date!

49

50 **Site**

51

52 The members were at the site at the Recreation building on 6/14 and found a spot for the
53 classic cars. The car club decided to charge an admission fee for car entries in place of
54 selling food.

55 Anthony was at an event where an old town trolley was used to move people from one
56 location to another and he suggested that should be investigated for our event.

57

58 Cow plop bingo will be happening again this year. Helen needs some supplies such as
59 fence posts, additional snow fencing and spray chalk. The cost should not exceed \$100.

60

61 MOTION by Bob Brouder for Helen to purchase up to \$100 of supplies for the cow plop
62 bingo event including posts, fencing and spray chalk.

66 **Rides**

67

68 VI Party rentals has not yet responded to Paula's email about splitting the cost of the
69 insurance rider with the town. No other information to report.

70

71 **Parade**

72

73 The parade subcommittee met earlier in the evening and stated that things are moving
74 along. The Civil War re-enactment group is still a possibility for the event. Pat Kimball
75 is looking for a farm or market to donate small pumpkins to the event. Pat would like to
76 see a reviewing stand at the Town Hall and/or Post office with an emcee to announce the
77 different groups that pass by during the parade.

78

79 Anthony stated that Pat the Patriot and 2 cheerleaders may march in the parade and have
80 a meet and greet, sign pictures, calendars etc. at no charge. Maybe the committee could
81 make a donation. Anthony may secure Fisher Cat tickets for the pie eating contest
82 winners. Oakie from Oakhurst Farms may walk in the parade again this year. Tim stated
83 that at the recent Plaistow Old Home Days, Shaw's had an old-time car that was at the
84 event and Sunoco had a booth. Anthony has been in touch with the Ghostbusters car,
85 contacted Canobie Lake Park about their hearse, confirmed that Joey from Launch

86 Methuen will be in the parade and at the event and the gentleman that was entertaining
87 the crowd on stilts will be back.

88

89 There may be a surprise guest at the end of the parade this year.

90

91 **Vendors**

92

93 Erica has 16 vendor applications so far but she has not received many of the standard
94 committee applications and regular vendors. Granite State Analytical will secure a booth
95 to offer the public free water sampling kits and reduced testing fees for the event and the
96 month of September.

97

98

99 **Entertainment**

100

101 Patty is working on the schedule and Tim will do some needed repairs to the stage. Two
102 sets of stairs with railings will be added as well as some non-skid material to the decking.

103

104 A second set of speakers will be put out on the field to help with the announcements so
105 that they can be heard more readily.

106 **Citizens of the Year**

107

108 Nomination forms are at the Town Hall, Library, Post Office and on-line on the town's
109 website. The deadline for nominations is August 1, 2017.

110

111 **Friday Night Events**

112

113 Bob Brouder will attend training for the one day liquor license in July on behalf of the
114 Historical Society. They are still working on getting the necessary beer/wine for the
115 event.

116

117 **New Business**

118

119 Linda Meehan has agreed to provide the Timberlane Players for the event and the
120 committee agreed the fireworks should begin at 8:30 pm.

121

122 **Future Meetings**
