**MOTION PASSED** 4-0-1

### **Hoytford Hills Subdivision**

John updated the board on this subdivision discussion. The developer has agreed to make a \$40,000 donation on this project. The board thanked John for his efforts to get this done.

### **Status of Pavilion Project**

There was continued discussion of the board on where we are with things. The placement of the structure is still up on the air; attached or not attached to the recreation building. Everyone feels the courtyard area is wasted space and maybe if the pavilion is placed somewhere else, just a concrete slab can be put in the courtyard area and the kids could play 4-square, hopscotch or similar games in that area. After much continued discussion and ideas it was agreed to table for the next meeting.

### **Heidi – Walk A Thon**

Heidi presented a form she put together for a great socially distanced activity that she would be willing to run. She was thinking about a Walk A Thon during April vacation. She presented a form that could be distributed. She's working on getting some prizes. She would like to just have Deb send it out to her distribution email group, post on Facebook and the website and see what happened. The board thanked Heidi and thinks this is a great idea and love to move forward with it.
