RE: Important Information—Price Changes

Dear Chairman and Members of the Board:

At Comcast, we are always committed to delivering the entertainment and services that matter most to our customers in your community, as well as exciting experiences they won't find anywhere else. We are also focused on making our network stronger in order to meet our customers' current needs and future demands.

As we continue to invest in our network, products, and services, the cost of doing business rises. Rising programming costs, most notably for broadcast TV and sports, continue to be the biggest factors driving price increases. While we absorb some of these costs, these fee increases affect service pricing. As a result, starting December 20, 2021, prices for certain services and fees will be increasing, including the Broadcast TV Fee and the Regional Sports Network Fee. Please see the enclosed Customer Notice for more information.

In addition to the price changes noted on the enclosed Customer Notice, customers subscribing to Performance Starter Internet at \$54.95, which is no longer available for new subscriptions, will receive additional notice of a price change to this service from \$54.95 to \$59.95 per month as part of the letter accompanying their Customer Notice.

Lastly, effective December 31, 2021, NBC Sports Network (NBCSN) will cease operations.

We know you may have questions about these changes. If I can be of any further assistance, please do not hesitate to contact me at Thomas_Somers@cable.comcast.com.

Very truly yours,

Jay Somers
