### **Building Department / Code Enforcement Report**

It is truly hard to believe another year has gone by, having been the Building Inspector for 8 years now. The years seem to be going by faster. Permit wise, there were not many changes from year to year, with the number of permits remaining pretty consistent.

There were (136) permits written in 2019 compared to (157) in 2017 and (148) in 2018. New home permits for 2019 totaled (14) which was the same as last year.

Garages	9 permits
Small additions	3 permits
Accessory Apartments	3 permits
Pools	9 permits

The remaining permits were issued for decks, sheds, roofing and siding, replacement doors, windows, etc.

At this point, there are no other major projects on the horizon.

I would like to express my gratitude to my fellow inspectors and the great staff at the Town Hall, who help make my job easier.

I would like to thank Gary Paradis for his years of service to the Town as Plumbing Inspector. Gary has taken a new position and moved on. We welcome Mike Hartnett as the new Plumbing Inspector who was Gary's assistant. I know he will do a great job as well.

Respectfully,

Robert Bogosh  
Building Inspector/Code Enforcement Officer
