Re: Important Information—Price Changes

Dear Members of the Board:

At Comcast, we are always committed to delivering the entertainment and services that matter most to our customers in your community, as well as exciting experiences they won't find anywhere else. We are also focused on making our network stronger in order to meet our customers' current needs and future demands. As we continue to invest in our network, products, and services, the cost of doing business rises. Rising programming costs, most notably for broadcast TV and sports, continue to be the biggest factors driving price increases. While we absorb some of these costs, these fee increases affect service pricing. As a result, starting December 20, 2023, prices for certain services and fees will be increasing, including the Broadcast TV Fee and the Regional Sports Network Fee. Please see the enclosed Customer Notices for more information.

Should you have any questions, please do not hesitate to contact me at [Bryan\\_Christiansen@comcast.com](mailto:Bryan_Christiansen@comcast.com).

Very truly yours,

*Bryan Christiansen*
