

TOWN OF SANDOWN, NH

2022 ANNUAL REPORT

THIS TOWN REPORT IS DEDICATED TO
ARLENE AND CARROLL BASSETT
FOR THEIR LONGTIME SERVICE
TO THE TOWN OF SANDOWN.

Both Carroll and Arlene were raised in Sandown, and have always been involved in the community. As children, they were active members of St. Matthew's church, scouting, and the Grange. After spending some years away, they returned to Sandown when Carroll became co-owner of Holmes and Bassett Construction Co. in 1978. While working for new residents in town, Carroll earned the reputation of being someone that people could call if they needed help.

Arlene worked at Sandown Central School as an assistant, but soon volunteered to teach art classes, bringing art education into the school. She participated in church suppers and craft fairs, taught Sunday School and VBS, and served many years as the treasurer for St. Matthew's Church. She has also volunteered as a Girl Scout leader, and member of the PTA and Timberlane Music Association. She currently serves as a Trustee of the Trust Funds for the town.

Arlene has put in countless hours on the Sandown Meetinghouse Association, serving years in the various positions of secretary,

treasurer, and president. This dedicated group of volunteers oversees the upkeep of the building and provided many years of Old Home Day services. Arlene continues to give tours upon request to residents and visitors.

Along with Eleanor Bassett, Arlene began the Sandown food pantry as a wall of shelves in the church. It has grown to the one we know today, with Arlene and a faithful group of volunteers who collect donations and provide food for many families. The team also provides holiday meals as well as school supplies and Christmas gifts to children.

Carroll joined Sandown Volunteer Fire Department in 1956 and has helped countless people in this and area communities through the fire service for the last 67 years. For many of those years he served as a fire warden as well as a fire engineer. He was also one of the volunteers who built the fire station, generously donating time and materials.

In the past, Carroll has been a softball coach, a member of the TMA, served many years as a ballot clerk, and is currently the town Cemetery trustee. He keeps the cemeteries in good condition and assists residents when they lose a loved one. He also helps Arlene in her endeavors by cleaning the meetinghouse before events, and transporting goods for the food pantry on a regular basis.

In 2002, Carroll and Arlene were named as Sandown Citizens of the Year. In the years since, they have continued to show the spirit of volunteerism in Sandown. We dedicate this report to them with our thanks.

SALVATORE L. "SAL" GENUALDO

APRIL 10, 1941—OCTOBER 20, 2022

.....

The community was deeply saddened by the loss of Sal Genualdo in October 2022.

Sal was a former member of the Sandown Conservation Commission and is certainly well-known and a very popular man here in Sandown.

Sal's Pond on Main Street is the location of the annual fishing derby which has been the delight of kids of all ages for over 20 years. Sal rang the bell each year to kick off the event and it was obvious to all how much he enjoyed hosting the derby and having visitors young and old at the pond.

Sal enjoyed the outdoors including hunting and fishing and of course, enjoyed raising his two goats, Laverne and Shirley.

Originally from East Boston, MA, Sal moved to Hilltop Farm in Sandown in 1950. Life then took him to other places, but he returned to Sandown in 1974 with his wife Sheila moving into the Main Street home where he remained until his passing.

Sal will certainly be missed, and we hold dear memories in our hearts. Rest in peace our beloved friend.

CITIZEN OF THE YEAR TINA OWENS

This nomination was submitted to the Old Home Day Committee by Barbara Lachance

Thirty-one years ago, in 1991, the Library held a Volunteer Appreciation reception hosted by the Sandown Public Library Board of Trustees. (Back row, left to right: Library Director Heidi Traeger, Trustee Tina Owens, Trustee Carol Stafford and Trustee John Duffy; Front row, left to right: Trustee Kris Mazalewski and Trustee Barbara Lachance)

I am honored to nominate Sandown resident and my friend, Tina Owens for Sandown Citizen of the Year. For over thirty years, Tina volunteered her time and talent to serve the Town through her involvement and dedication to the Sandown Public Library. From 1988-1991, Tina worked on the Sandown Library Building Committee. From 1991-2021, Tina was a member of the Sandown Board of Library Trustees, serving as secretary, treasurer and chair. She worked tirelessly and effectively as an advocate for the library and the people that it serves in our community.

As a member of the Library Building Committee, Tina helped to raise funds and successfully plan the transformation of Sandown's library from 1,500 sq. ft. to over 5,000 sq. ft., which added a dedicated Children's Room, reference and reading areas.

Then for the next thirty years, Tina served the people of Sandown as a Library Trustee. Her career as a librarian gave her a unique perspective and understanding of the importance of a library as an educational and cultural center for the Town. She wanted the best for Sandown and worked hard to achieve it while always being mindful of the impact on the taxpayers. Working alongside Tina, as both the Library Director and then as a fellow Trustee, I can truly attest to her concern for fiscal responsibility to the Town. During the budget process, I remember her saying many times, "We need to be good stewards of our tax dollars."

Under her constant care, as the Town grew, so did library services which included increasing hours, adding staff, doubling children and adult programs, and creating a library cooperative with neighboring towns.

Trustee Emeritus Dr. Paul Densen recruited Tina in 1988 to join the Library's building committee and then to become a Trustee. Tina joined the Board and never looked back serving for thirty years. She joins a very elite, small group of long-serving Town volunteers who care so much for their community to volunteer their time with selfless dedication.

Along with her husband, Fred Daley, who has also served the Town in many volunteer positions from Budget Committee, Planning Board and Moderator, Tina Owens represents the best of the volunteer spirit to the community in which they live.

For these reasons, I believe there is no one more deserving of the title of Sandown's 2022 Citizen of the Year than Tina Owens.

Cover: Special thanks to Andrea Cairns for her work designing the front and back covers, dedication page and picture pages. The front cover is the Sandown Food Pantry; pictured are Jeremy Nicolaisen and Benjamin Winter. Jeremy earned his Eagle Scout Award in 2004 by building the original food pantry and Benjamin received his Eagle Scout Award this year for completing the expansion. The back cover shows the progress of Benjamin Winter's Eagle Scout project.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Sandown, New Hampshire

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire (the Town), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Merrimack, New Hampshire
Andover, Massachusetts
Greenfield, Massachusetts
Ellsworth, Maine

800.282.2440 | melansoncpas.com

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may cause substantial doubt shortly thereafter.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, the budgetary comparison for the General Fund, and certain pension and OPEB schedules be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 1, 2022 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Melanson".

TOWN OF SANDOWN, NEW HAMPSHIRE

Reconciliation of the Statement of Revenues, Expenditures, and Changes
In Fund Balances of Governmental Funds to the Statement of Activities
For the Year Ended December 31, 2021

Net Changes in Fund Balances - Total Governmental Funds	\$ 297,542
<p>Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:</p>	
Capital outlay	23,430
Depreciation	(289,620)
<p>The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the financial resources of governmental funds. Neither transaction, however, has any effect on net position:</p>	
Repayments of general obligation bonds	50,000
Repayments of capital leases	50,206
<p>Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures, and Changes in Fund Balances. Therefore, the recognition of revenue for certain types of accounts receivable (i.e., real estate and personal property, motor vehicle excise, etc.) differ between the two statements. This amount represents the net change in unavailable revenue, net of change in allowance for doubtful accounts.</p>	
	599,024
<p>Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds:</p>	
Change in net pension liability and related deferred outflows and inflows of resources	107,062
Change in net OPEB liability and related deferred outflows and inflows of resources	20,336
Change in accrued employee benefits	7,954
Change in accrued interest on bonds payable	4,764
Other differences.	<u>13,555</u>
Change in Net Position of Governmental Activities	\$ <u>884,253</u>

The accompanying notes are an integral part of these financial statements.

**TOWN OF SANDOWN
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at Sandown Town Hall 320 Main Street, Sandown, New Hampshire, on Saturday, February 4, 2023 at 9:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 21. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and (c) no warrant article shall be amended to eliminate the subject matter of the article.

Second Session of Annual Meeting (Voting)

Voting on warrant articles number 1 through 21 will be conducted by official ballot to be held on Tuesday, March 14, 2023 at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

Warrant Article 1. To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 14, 2023).

Warrant Article 2. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,417,910. Should this article be defeated, the default budget shall be \$5,174,578 which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

Estimated tax impact of this article is \$7.85 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 5-1-0)

Warrant Article 3. Shall the Town vote to raise and appropriate the sum of One Hundred Sixty Seven Thousand Four Hundred Twenty Eight Dollars (\$167,428) for the road improvement programs to be recommended by the Sandown Highway Department and approved by the Sandown Board of Selectmen, said sum expected to be supplied by the State of New Hampshire Highway Block Grant.

Estimated tax impact of this article is \$0

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 4. Shall the Town vote to raise and appropriate the sum of Five Hundred Forty Six Thousand Dollars (\$546,000) to be added to the Road Improvement Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.79 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended the Budget Committee: 6-0-0)

Special Warrant Article 5. Shall the Town vote to raise and appropriate the sum of One Hundred Fifty Thousand Dollars (\$150,000) to be added to the Bridge Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.22 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 6. Shall the Town vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Revaluation Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.01 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 7. Shall the Town vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to be added to the Stormwater Management Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.02 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 8. Shall the Town vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the Fire Equipment and Apparatus Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.14 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 5-1-0)

Special Warrant Article 9. Shall the Town vote to raise and appropriate the sum of Twelve Thousand Seven Hundred Twenty Dollars (\$12,720) from the unassigned fund balance to be added to the Phillips Pond Expendable Trust Fund previously established.

Estimated tax impact of this article is \$0 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 10. Shall the Town vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the Government Building Capital Reserve Fund previously established.

Estimated tax impact of this article is \$.14 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 4-2-0)

Special Warrant Article 11. Shall the Town vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Old Home Day Celebration Expendable Trust Fund previously established.

Estimated tax impact of this article is \$.01 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Not Recommended by the Budget Committee: 3-3-0)

Warrant Article 12. Shall the Town vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500) for fireworks with a date and time to be determined by the Board of Selectmen.

Estimated tax impact of this article is \$.01 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Not Recommended by the Budget Committee: 3-3-0)

Warrant Article 13. Shall the town vote to approve the readoption of the Optional Veteran's Tax Credit (RSA 72:28, II) to allow for the expansion of the criteria needed to qualify for the Optional Veteran's Tax Credit of \$750 to now include those service members that are currently serving and have not yet been honorably discharged from the armed services. The readoption of the Optional Veteran's Tax Credit, if approved, would continue to offer a \$750 tax credit to all honorably discharged Veterans that qualify under the current requirements but as of April 1, 2023, it would expand the eligibility requirements to now include those individuals that have not yet been discharged from active service.

Note: If this Article does not pass the Optional Tax Credit would revert to the Standard Veteran Tax Credit under RSA 72:28, I, and as of April 1, 2023, the Standard Veteran Tax Credit would be in place and reduce the Veteran Tax Credit from \$750 to \$50 per year.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Warrant Article 14. Shall the town vote to approve the readoption of the All Veteran's Tax Credit (RSA 72:28-b) to allow for the expansion of the criteria needed to qualify for the All Veteran's Tax Credit of \$750 to now include those service members that are currently serving and have not yet been honorably discharged from the armed services. The readoption of the All Veteran's Tax Credit, if approved would continue to offer a \$750 tax credit to all honorably discharged Veterans that qualify under the current requirements of (RSA 72:28-b) but as of April 1, 2023, it would expand the eligibility requirements to now include those individuals that have not yet been discharged from active service.

Note: If this Article does not pass the All Veteran Tax Credit would revert to the Standard Veteran Tax Credit under RSA 72:28, I, and as of April 1, 2023, the Standard Veteran Tax Credit would be in place and reduce the Veteran Tax Credit from \$750 to \$50 per year.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Warrant Article 15. Shall the Town vote, pursuant to RSA 35:9-a., II, to authorize the Trustees of the Trust Funds, without further action of the town meeting, to charge any expenses incurred for professional banking or brokerage assistance to the capital reserve funds involved, such authority to remain in effect until rescinded by a vote of the town meeting, which said vote to rescind such authority shall not occur within 5 years of the adoption of this article.

Estimated tax impact of this article is \$0 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Special Warrant Article 16. Shall the Town vote to authorize the Selectmen to enter into a lease/purchase agreement not to exceed 5 years in the amount of Forty Thousand Three Hundred Dollars (\$40,300) for the purpose of leasing/purchasing an electronic and hydraulic stretcher loading system for the Fire and Rescue Department and to raise and appropriate the sum of Fourteen Thousand Nine Hundred Dollars (\$14,900) for the first year's payment. This lease/purchase agreement contains an escape clause. This article is designated as a special warrant article by the Board of Selectmen.

Estimated tax impact of this article is \$.02 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 4-1-0)

Special Warrant Article 17. Shall the Town vote to raise and appropriate the sum of Twenty Seven Thousand Nine Hundred Eighty Nine Dollars (\$27,989) for exterior painting to preserve the Sandown Railroad Depot. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the preservation project is completed or by December 31, 2028, whichever is sooner. Costs may be offset by grant funds received. This article is designated as a special warrant article by the Board of Selectmen.

Estimated tax impact of this article is \$.04 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Not Recommended by the Budget Committee: 3-2-1)

Warrant Article 18. Shall the Town vote to add the town owned parcel identified as Tax Map 17, Lot 4, to the existing Wells Village Road Town Forest in accordance with NH RSA 31:110. The referenced property is 15.39 acres in size.

Estimated tax impact of this article is \$.00 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Warrant Article 19. Shall the Town vote to add the town owned parcel identified as Map 13, Lot 4, to the existing Wells Village Road Town Forest in accordance with NH RSA 31:110. The referenced property is 47.42 acres in size.

Estimated tax impact of this article is \$.00 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

Warrant Article 20. Shall the Town vote pursuant to RSA 72:39-b to make the following changes to the Town of Sandown's elderly exemption:

The elderly exemption based on assessed value of their home for qualified property owners 65 years of age up to 75 shall be \$110,000 (currently \$85,000), from 75 years of age to 80 shall be \$130,000 (currently \$100,000), age 80 and up shall be \$150,000 (currently \$125,000).

To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years prior to April 1, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other for at least 5 consecutive years. In addition, the single tax payer must not have a net income of more than \$50,000 or, if married, a combined net income of \$100,000, and own net assets not in excess of \$200,000, excluding the value of the person's primary residence or, if married, combined assets shall not be in excess of \$200,000, excluding the value of the persons primary residence. The combined net asset amount for married persons shall apply to a surviving spouse until the sale or transfer of the property by the surviving spouse or until remarriage of the surviving spouse.

(Recommended by the Board of Selectmen: 3-2-0)

(Recommended by the Budget Committee: 5-1-0)

Petition Warrant Article 21. Shall the Town vote to ban the use of voting machines in local, state and federal elections.

(Not Recommended by the Board of Selectmen: 0-5-0)

(Not Recommended by the Budget Committee: 1-5-0)

 Maximum Allowable Appropriations Voted at Meeting: (Line 1 + Line 8 + Line 11 + Line 12)	
	\$7,223,092

Default Budget of the Municipality

Sandown

For the period beginning January 1, 2023 and ending December 31, 2023

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

TOWN ADMINISTRATION REPORT

Selectmen Eric Olsen and Thomas Tombarello (2022) completed their terms in March. Selectmen Jonathan Goldman (2023), Robert Nickerson (2023), and Darren Hudgins (2024) were the returning Board members this year. Selectmen Olsen and Tombarello were both elected for another 3-year term.

TOWN BUILDING MAINTENANCE PROJECTS

This year brought only minor maintenance projects to include garage door repairs at both the police and fire stations, required update to the water filtration system, replacement of plumbing fixtures at the fire station and train depot museum, fire extinguisher inspections, and replaced some exterior lighting at the police station.

ROADWAY IMPROVEMENTS

The 2022 Roadway Improvement Plan was funded once again by the voters. The plan included the reconstruction of segment 2 of Odell Road extending northerly from Pine Ridge Circle to Fremont Road. Additional road and drainage repairs were completed on Cross Road, Phillips Road, Royal Range Extension and Hunt Pond Road. Brush and swale cleaning was also completed throughout town.

ACCEPTANCE OF TOWN ROADS

The remaining portion of Meghan Drive was accepted as a town-owned, town-maintained roadway in December of 2022.

COMMUNITY

This year brought the Selectmen's office change in personnel. In the beginning of the year, we welcomed Jessica Manning as our new recording secretary. We want to thank Suzanne Reynolds for her 14 years of service to our town as recording secretary to both the Selectmen and the Budget Committee. We also welcomed Andrea Cairns as the Assistant to the Town Administrator and Board of Selectmen. Andrea previously worked for the town as the Planning, Zoning, Conservation Aide and we are thrilled to have her back. Paula Gulla, long time Office Assistant extraordinaire, retired from her full-time position after 20 years with the town. She will remain, however, in the office part time for a few hours a week. Although not in the Selectmen's office, we also welcomed Becky Thompson as the town's new Recreation Director. Thank you, as always, to the public and employees for their patience as we transition these new positions.

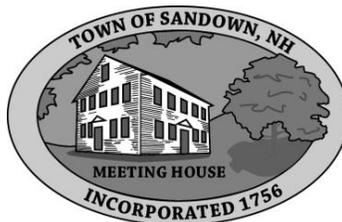

Some accomplishments by the board during 2022 included the receipt and acceptance of grant funds. The Locality Equipment Purchase Program grant allowed the town to purchase \$50,000 in lifesaving equipment for both the police and fire departments. The State of New Hampshire awarded \$140,999.23 in additional highway block grant money to the town as well. The board also hired an engineering firm to conduct a feasibility study for the renovation and possible expansion of the town hall and appointing a Building Needs Committee for that purpose. The board scheduled an auction for the sale of town-owned properties which will take place in March of 2023. The creation of an employee wage matrix was completed in May and was revised in November. The food pantry received an upgrade of their space thanks to Benjamin Winter as part of his Eagle Scout project. He did a beautiful job. The town named Tina Owens as the 2022 Citizen of the Year after her 32 years of dedication as a Building Committee member and Library Trustee.

As always, the board would like to thank our employees and all those who volunteer as committee members and in various capacities throughout town. The dedication given by volunteers and employees is experienced by all residents of Sandown. As 2022 comes to an end we encourage members of the community to be involved and continue to make Sandown the best place to live.

We look forward to proudly representing Sandown in 2023.

Respectfully submitted,

Sandown Board of Selectmen and Town Administrator

ASSESSOR'S ANNUAL REPORT

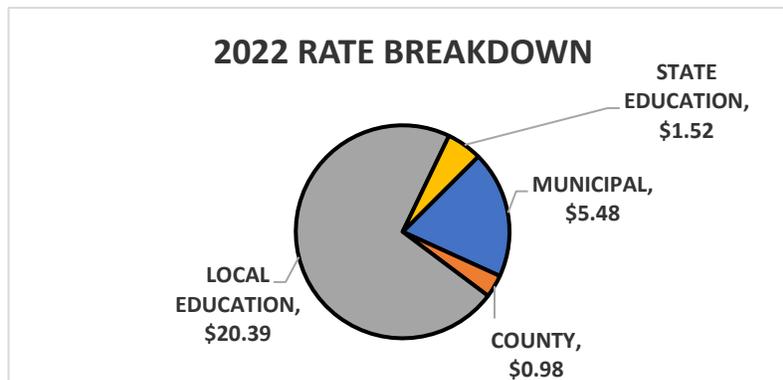

The firm of Municipal Resources (MRI) continues to be contracted to handle the assessing functions. The primary members of the staff working in Town are Scott Marsh, Seth Giberson, Cam Appleyard and Michael Marsh. Additional staff members may be assisting. If any of the assessor staff comes to your property, please support the Town's efforts to keep assessments equitable and proper by answering their questions as well as allowing them to verify the data of your property. Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Town's Office staff can schedule one for you.

The past year saw the assessing staff visit over three hundred twenty-five properties due to taxpayer inquiries, issued building permits, incomplete status of prior year review and/or site changes. Staff is also continuing the process of reviewing a portion of properties each year to ensure the accuracy of the property details listed. As a result of the property changes, the Town's net taxable valuation increased roughly \$13,100,000.

An analysis by the DRA of the annual equalization sales survey has not yet been finalized, however the Town's overall median ratio as of April 1, 2022, is estimated at 60%. The State requires that assessments be updated as least every five years and the 2023 tax year is that required year. Additional information regarding the statistical valuation update will be publicized as the project progresses in the coming months.

PROPERTY TAX RATES - TAX YEARS 2017 – 2022

YR	Town	County	Local Educat	State Educat	Total
2017	\$4.89	\$1.20	\$22.14	\$2.55	\$30.78

2019	\$4.76	\$0.98	\$19.07	\$2.15	\$26.96
2020	\$4.08	\$0.96	\$20.56	\$2.06	\$27.66
2021	\$5.01	\$0.99	\$20.91	\$2.07	\$28.98
2022	\$5.48	\$0.98	\$20.39	\$1.52	\$28.37

Individual property assessing information may be obtained by visiting the assessing office or on-line by following the link on the Town's website.

Below is a list of Tax Exemptions and Credits currently available. Additional information and applications forms are available at the assessing office.

ELDERLY EXEMPTION - \$ OFF ASSESSED VALUATION

AMOUNT	REQUIRED AGE	INCOME LIMITATIONS	ASSET LIMITATION
\$ 85,000	65 TO 74	Not in excess of	Not in excess of \$200,000
\$100,000	75 TO 79	\$50,000 if single,	excluding the value of
\$125,000	80 AND UP	\$70,000 if married	the home & up to 2 acres

BLIND EXEMPTION - \$ OFF ASSESSED VALUATION

\$ 15,000
 Every inhabitant owning residential real estate and who is legally blind, as determined by the Administrator of blind services of the vocational rehabilitation division of the education dpmnt.

VETERAN

Optional & All Veterans Tax Credit \$750

Every resident who served in the armed forces in any of the qualifying wars or armed conflicts as listed in RSA 72:28 or not less than 90 days of active service per RSA 72:28-b and was honorably discharged; or the spouse/surviving spouse of such resident

Surviving Spouse Tax Credit \$2,000

The surviving un-remarried spouse of any person who was killed or died while on active duty in the armed forces, as listed in RSA 72:28

Service connected Disability Tax Credit \$2,000

Any person who has been honorably discharged and received a form DD-214 and who has a total and permanent service connected disability or is a double amputee or paraplegic because of the service-connected injury, or the surviving spouse of such person if such surviving spouse has not remarried.

Budget Committee Annual Report

This year the budget committee met to review and make recommendations to 44 budgets and 21 warrant articles for the voters of Sandown to review at the Deliberative Session. Meetings were held on Wednesday nights at 6:30 pm between October 2022 and January 2023.

Officially, the town's Budget Committee's purpose is "*to assist its voters in the prudent appropriation of public funds.*" This is accomplished by reviewing budget requests for the upcoming year, analyzing revenue, expenditures and trends throughout prior years, and working with department heads towards their goals while ensuring that the budget is affordable. I believe the committee has met this goal to the best of its abilities and hope you will agree.

After the public hearing, **the Budget Committee's 2023 budget proposal is 5,417,910 which is a 8.83% increase over the 2022 budget.** The proposed budget is 439,683 higher than the 2022 budget of 4,978,226. The key drivers in the 2023 budget increase are new town employees and an increase in the highway and recycling budgets, that have been underfunded for the past several years. The hope of the Budget Committee is that these budgets are funded as needed over the next few years.

Funding of the operating budget, which includes the local school district, is accomplished through taxation of property. Allocation of funds raised through taxation in 2022 were as follows:

2022 tax rate per \$1000:

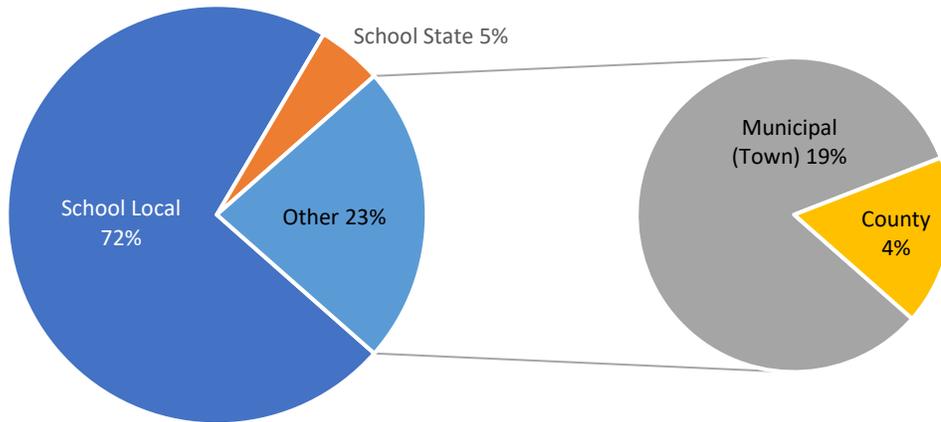

Municipal (town operating):	\$ 5.48	19 %
County:	\$.98	4 %
School:	\$ 20.39	72 %
State:	\$ 1.52	5 %
Total:	\$ 28.37	100 %

It takes many people (department heads, Selectmen, administrative staff, and others) working together to arrive at a fiscally responsible budget proposal. I would like to thank all budget committee members and department heads for working together this year to present a reasonable budget to the voters. The committee would also like to thank Finance Director, Gayle Hamel, Town Administrator Lynne Blaisdell, Cable State Manager Chris Donnellan, Selectmen's Office Assistant Paula Gulla and Town Administrator Assistant Andrea Cairns for their support throughout budget season.

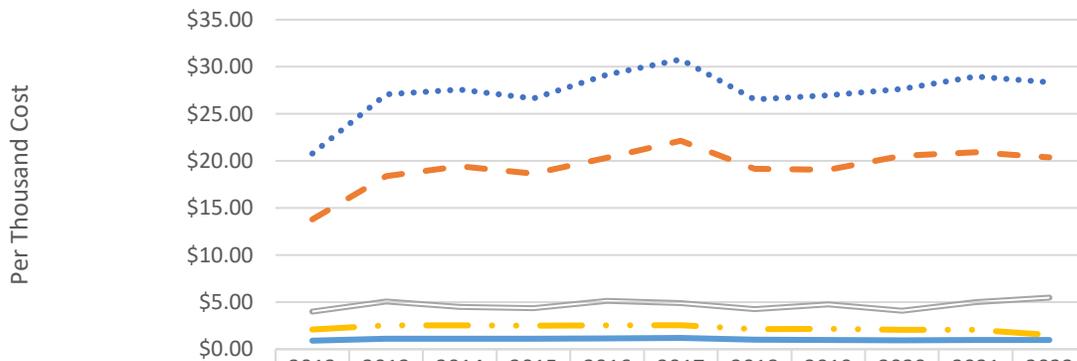

Respectfully submitted,

Benjamin Sharpe
Sandown Budget Committee Vice Chair

Robert Bogosh, Asst. Building Inspector

TOWN OF SANDOWN, NH

**Office of Building Inspector
320 Main Street/P.O. Box 1756
Sandown, NH 03873
603-867-6085
Fax# 603-887-5163**

It has been a busy year, and I could not do this without thanking my support staff, Assistant Building Inspector Bob Bogosh, Plumbing and Gas Inspector Mike Harnett, Electrical Inspector Tom Tombarello and Health Inspector Mark Tolman; as well as Oil and Chimney Inspector Chief Mike Devine and Driveway Inspector Arthur Genualdo.

Their professionalism and knowledge in their respected fields are assets to this community and safeguard public safety, health, and general welfare.

I would also like to express my gratitude to the fantastic office staff and maintenance staff at the Town Hall, who helped make my job easier.

There were (182) permits pulled in 2022 compared to (188) 2021, (160) 2020, (136) 2019, (148) 2018, and (157) 2017.

- New Dwelling 30 permits
- Commercial Buildings 1 permits
- Garages 8 permits
- Additions 4 permits
- Accessory Dwelling Unit 2 permits
- Pools 9 permits
- Solar 7 permits

The remaining permits issued are for decks, sheds, roofing and siding, replacement doors, windows, etc.

We see three major housing projects in the planning process, with the possibility of start dates within the next 1-3 years.

Respectfully,

Paul D'Amore
Building Inspector/Code Enforcement Officer

Sandown Cable Access Board - Annual Report
Channel17@sandown.us // (603) 887-0017

Channel 17 continues to increase its live coverage of town meetings. Residents can also find a variety of our programs on our video on demand server. The link can be found on our page through the town's web site.

Equipment additions allowed the recording of Recreation Commission meetings at the Ed Garvey Recreation Building. Recordings are viewable on Channel 17 and through our video-on-demand server.

New and upgraded equipment in 2022:

New editing computer replacing older model that was no longer upgradable for use with Adobe Creative Cloud.

Cablecast VIO server replacing Flex server which had failed.

Recording equipment at Recreation Building.

During 2023, we will be collecting feedback and preparing for the contract renewal process with Comcast. If you have any cable TV related requests/ideas for Comcast, please send them to our email address above.

The residents of Sandown have the opportunity to produce programming in Sandown and we want to help. If you have any programming ideas or want to become involved, please contact us at channel17@sandown.us. We have equipment available and will provide training in its use.

Another way to get involved is by joining the Cable Access Board. We meet the 4th Tuesday of every month at Town Hall and welcome new members.

Respectfully submitted,
Cable Access Board: Richard Lewis (Chair)
Chris Donnellan (Station Manager, Vice Chair),
Ex Officio: Eric Olsen

Conservation Commission Report

The Sandown Conservation Commission (SCC) enjoyed an eventful 2022.

The Commission once again sponsored the Community Garden this year and had a full garden with no vacant plots. The garden saw various items grown, ranging from tomatoes and cucumbers to sun flowers. The garden was able to be open Memorial Day through mid-October. The Conservation Commission would like to thank Scott Bassett for tilling the Community Garden to kick off the growing season. Also new this year on the property was a flourishing pollinator garden located on the same property. If you are interested in joining the Community Garden, please contact the Conservation Commission in early May to reserve your plot as space is limited. The Commission would like to thank member Christy Ortins for chairing the garden.

The Conservation Commission had another successful fishing derby this year. 64 Children were registered for this year's event and a total of 60 fish were caught this year between the four age groups. A special thanks to all of those who participated as well as donated great prizes for the kids. The commission was saddened by the passing of former Conservation Commission member, Sal Genuardo, who opened his pond to hundreds of young fishers at the Fishing Derby for the last twenty plus years.

New placards were added to the recycled benches at the Red Barn, previously installed by Girl Scout Gold Award Recipient Mackenzie Byron-Chaput, to honor the work she has done for the community. In 2022, Justin Silva worked with the commission to complete his Eagle Scout project, designing and building a new cupola for the Red Barn. We hope to have the cupola placed on top of the Red Barn in the upcoming months.

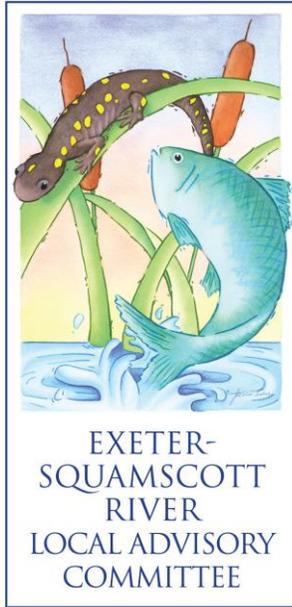

Chairman Butler worked hard this year to acquire new conservation land for the town. The Commission was able to purchase a 14-acre piece of land located next to the existing Wells Village Road Town Forest. Chairman Butler was also able to finalize the donation of 35 +/- acres of land located at the corner of Ferguson and David Lane. This property holds ten vernal pools and will have great learning and teaching potentials for the commission and residents. Chairman Butler and the Commission is also asking the town to place this property, as well as another property, already owned by the Commission, into the Wells Village Road Town Forest in order to better preserve the land. The Sandown Conservation Commission would like to thank Chairman Butler for being instrumental in the land acquisitions and for his dedication to conserving land in Sandown.

To add to the busy year, the Commission, along with a group of dedicated volunteers, were able to hike Fremont Road Town Forest and begin remarking the boundary markers as well as clean up trash around Great Rock.

This year the Commission welcomed a new full-time member, George Grivas and said "see you later" to former member Jillian Winmill. The Commission thanks Jillian for continuing to organize and keep our Facebook page up to date. The Commission would also like to offer best wishes to former Administrative Assistant Colleen Olsen as she embarks on a new career of Municipal Planning.

The Conservation Commission continues to exist and do meaningful work because of the community support it receives. If you are interested in getting involved with the commission, please contact us at townofsandown@sandown.us. You can also find us on Facebook at *Sandown Conservation Commission*.

Respectfully submitted by the Sandown Conservation Commission; Brian Butler- Chairman, Nicholas Ortins - Vice Chairman, Timothy Robinson, Pamela Gaudreau, Christy Ortins, George Grivas, Mark Traeger- Alternate, Terry Knuuttunen- Alternate

2022 Annual Report

Exeter-Squamscott River Local Advisory Committee

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens, towns, and state government designed to promote and protect the river’s outstanding natural and cultural resources. Established in 1996, the Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of citizen volunteers living in towns in the watershed, vested in working together to protect water quality, water quantity, wildlife habitat and recreational opportunities. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

2022 marked ESRLAC’s 26th year of acting “for the good of the river”. Committee members met throughout the year to review and comment on proposals for land development along the river corridor. These comments are shared with state regulatory agencies, developers, and municipal officials, and focus on mitigating the impacts of development on the river by improving stormwater management and maintaining naturally vegetated buffers along the river and tributary streams. ESRLAC meetings also provide members with an opportunity to discuss river-related concerns and share resources. ESRLAC also completed an update to the Watershed Management Plan, which is available on ESRLAC’s website.

ESRLAC has a Facebook page, managed by Committee members and offering information on a wide range of river related topics. Search for Exeter-Squamscott River Local Advisory Committee on Facebook to follow ESRLAC.

ESRLAC seeks members from all communities in the watershed. If you are a resident of Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham, or Newfields and are interested in river stewardship please consider joining ESRLAC. Contact the Rockingham Planning Commission at 603-778-0885 for more information.

www.sandown.us

The Sandown Fire-Rescue Department would like to report that during 2022 the Fire-Rescue members responded to 606 Calls for service. This is a 23% increase in calls for service over 2021. We continue to express our gratitude to the residents for approving the Per-Diem positions. Daily staffing is an asset to our residents and the town itself, as Sandown continues to grow.

Communication is key! In 2021, a large undertaking by our department begun with updating our public safety radios. This project allows our department to communicate more effectively with our public safety partners, including our own police and highway departments. The project is almost complete and was paid entirely with ARPA funding. The town wide repeater will be up and running in the first half of 2023.

On October 29, 2021, the Governor's Office for Emergency Relief and Recovery (GOFERR) opened the applications for the Locality Equipment Grant Program. This program provided support of up to \$50,000 per New Hampshire locality (cities and towns) for 90% of the purchase price of safety and emergency equipment needed because of, or in response to COVID 19 and its impacts on emergency services staffing. The Sandown Fire-Rescue department was able to use this money to purchase a LUCAS 3 Chest Compression System and Power Cot. Both pieces of equipment will greatly help in the event of a medical emergency.

I'd like to remind residents to make sure your address is clearly visible from the road. We need to be able to find you easily and quickly in the event of an emergency. Also remember that smoke detector batteries should be changed every 6 months, and smoke detectors have a life span of only 10 years. Carbon monoxide detectors only have a life span of approximately 5 years unless otherwise stated on the package. If yours are older, they should be changed. Lastly, please have your chimneys cleaned and inspected at least once a year.

On behalf of the Sandown Fire-Rescue Department, I would like to express my gratitude for the support we have from our neighboring mutual aid towns, as well as the tremendous support from our community.

Personally, I wish to thank the dedicated men and women of the department who support their community and its surrounding neighbors without hesitation, every day. These valuable members provide an overwhelming strength to this department and the impact they have is essential to the success of the Town of Sandown.

Thank you for all your help and support.

Respectfully submitted,

**Michael J. Devine
Fire Chief / EMD / Forest Fire Warden
Sandown Fire-Rescue**

Report of Forest Fire Warden and State Forest Ranger

This year was another year where we observed wet weather in early spring followed by rapid drying and drought conditions which extended through the summer for much of the state. Drying conditions in early May led to large fire growth on numerous fires which required multiple days to extinguish and firefighter response from local, state, and federal agencies. Wildfire activity continued through the summer months where dry conditions led to more multi-day fires. Fires burned deep into the ground, requiring firefighters to establish water supplies and to spend days digging out all the hot spots.

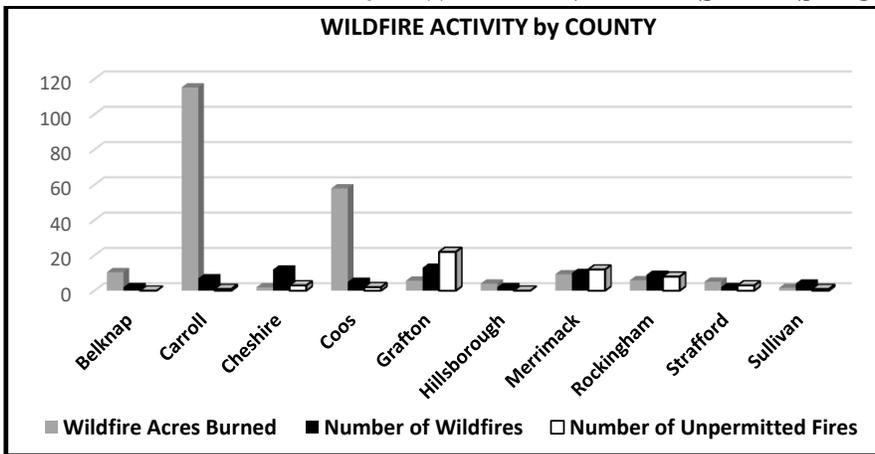

This fall we had multiple fires started by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The long-lasting drought effects in Rockingham County are showing some minor signs of improvement but a good portion of Rockingham County remains in moderate drought and much of the state is still in the abnormally dry category. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2023 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdf/. For up-to-date information, follow us on Twitter and Instagram: [@NHForestRangers](https://twitter.com/NHForestRangers)

2022 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2022)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2022	66	217	52
2021	66	86	96
2020	113	89	165
2019	15	23.5	92
2018	53	46	91

*Unpermitted fires which escape control are considered Wildfires.

CAUSES of FIRES REPORTED

Railroad operations & maintenance	Firearm & explosives use	Undetermined	Recreation & ceremony	Debris & open burning	Natural	Other causes	Power generation, transmission, distribution	Smoking	Arson	Misuse of fire by a minor	Equipment & vehicle use

2022 Annual Report of the Southeastern New Hampshire Hazardous Materials Mutual Aid District

Bruce Breton
Selectman, Windham
Chairman, Board of Directors

Chief Thomas McPherson, Jr.
Windham Fire Department
Chairman, Operations Committee

About the District:

The Southeastern New Hampshire Hazardous Materials Mutual Aid District's membership is comprised of 15 communities, covering approximately 360 square miles with a population of over 193,000 people. The District was formed in 1993 to develop a regional approach for dealing with the increasing amounts of hazardous materials being used and transported within these communities. In 2022, we were fortunate to have Atkinson rejoin the District.

The District draws its funding from an annual assessment from each community as well as from grants and donations. The FY 2023 operating budget for the District was \$148,273.00. Additionally, in 2022 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$128,250.00. These grant awards included funding for equipment maintenance plans, replacement chemical protective garments, new SCBA air cylinders, environmentally friendly suppression foam, an all-terrain vehicle for remote incident responses, radio reprogramming, HazMat management software as well as numerous training programs for team members. The Fire Chiefs from each member community make-up the Operations Committee of the District. The Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community. It is the Board of Directors who approves the budget and any changes to the bylaws of the District. The Executive Board of the Operations Committee, which consists of the Chairman, Vice-Chairman, Treasurer, Technical Team Liaison, and one Member at Large, manages the operations of the District within the approved budget.

In 2022, we have been operating with a new, part-time District Administrator who manages the administrative functions of the District, including but not limited to, grants management, financial management, and emergency planning.

District Facility

The District maintains a facility in Windham that provides space to house several of its response vehicles and trailers, as well as provide office and meeting space for the District Administrator. In addition, the District is able to utilize the facility for monthly training for the Emergency Response Team.

The Emergency Response Team:

The District operates a Technical Emergency Response Team. This Response Team is overseen by one of the member community's Chief fire officers who serves in the Technical Team Liaison position. The Team maintains a three-level readiness response posture to permit it to immediately deploy an appropriate response to a District community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the Team primarily prepares for response to unplanned accidental chemical releases it is also equipped and trained to deal with a variety of Weapons of Mass Destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Emergency Response Team is made up of 24 members drawn from the ranks of the fire departments within the District. The Team consists of 5 Technician Team Leaders, 16 Hazardous Materials Technicians, and 3 Communication Specialists. In addition to these personnel, the team also includes an industrial chemist from a local industry.

District Resources

The District's response resources include HazMat 1 which is the primary response vehicle and carries chemical detection and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The Team's other vehicles consist of a Mobile Command Support Unit, Rehab Truck, two Spill Trailers, a Technician Trailer, an Operations/Spill Trailer, a Firefighting Foam Trailer, an Air Supply/Lighting Trailer and an SUV vehicle.

The Command Support Unit, HazMat 1 along with the Technician Trailer and SUV are housed in our Windham facility, while spill trailers are located in Derry and Sandown allowing for rapid deployment throughout the District. The Foam Trailer is housed by Salem Fire, the Operations Trailer is housed by Hooksett Fire and the Air Supply trailer is housed at Chester Fire. Activation of the team is made at the request of the local Incident Commander through the Derry Fire Department Dispatch Center.

The Rehab truck which serves as a firefighter rehabilitation unit is also housed at our Windham facility. This unit is available to our member departments and is equipped with refrigerated cases of water and sports drinks and can serve hot beverages. The truck is also equipped with a heated inflatable shelter to provide first responders with a place to get out of the weather. In order to remove carcinogens from firefighters as soon as possible, this truck is also equipped with garden hoses and soap and brushes to assist with the decontamination of firefighters at the scene. Staffing of this vehicle is done by a team of dedicated volunteers recruited from some of the District's fire departments along with the Derry Community Emergency Response Team (CERT).

Response Team Training

The Emergency Response Team members have completed 620 hours of training this calendar year. This training consisted of in-person training programs covering Hazardous Materials Transportation, Computer-Aided Management of Emergency Operations, Palmtop Emergency Action for Chemicals (PEAC), Hazardous Materials Simulation Equipment, Chemical Protective Clothing, Decontamination, and leak control techniques, as well full-scale response drills including the Manchester Airport 2022 Triennial Readiness Drill. Team leaders attended the International Association of Fire Chiefs HazMat conference, the first in several years since the pandemic's start. In addition, through grant funding, the District was able to host approximately 60 Company and Chief Officers from its member communities in a "First Responder Offensive" HazMat training class covering technical size-up and scene safety information for first arriving responders. In addition, the annual New Hampshire HazMat Conference was resumed in 2022 providing 20 Team members with nationally recognized speakers and subject matter experts discussing topics such as EV battery incidents and mitigation among others.

Emergency Responses

In 2022 to date, the Hazardous Materials Team responded to 20 incidents. These included a significant spill of waste oil from a business which was impinging on wetlands, a fuel oil tanker roll-over on Interstate 93 and spill trailer responses for hydrocarbon fuel spills from motor vehicle crashes and home oil tank leaks. Other responses included propane emergencies, identifying unknown substances, as well as requests for technical assistance for member departments where a Response Team Leader provided consultation to the fire department on the handling of an incident.

The REHAB team responded to thirteen incidents including fire scenes and large-scale training events.

For further information about the Southeastern New Hampshire Hazardous Materials District please visit our website at www.senhazmat.org

HEALTH OFFICER REPORT

As Health Officer, I continue to enforce State of New Hampshire NRS's, laws, and other local ordinances that Health Officers enforce.

Numerous complaints were received and investigated regarding food service, housing, animals, vector & rodent control, septic systems, wells, and general environmental.

Routine inspections and plan reviews of septic systems, soil testing, wells and foster care homes were conducted during the year.

All wells that service town owned buildings were tested quarterly and reports were sent to state Department of Environmental Services.

Respectfully Submitted,

Mark F. Tolman Health Officer / Registered Sanitarian

MOSQUITO CONTROL

Severe droughts impact the lives of every living thing from humans to wild animals, your lawn and garden, ponds and streams and the creatures that rely on that water. Mosquitoes live in shallow, stagnant water during part of their lifecycle so their numbers were down due to the drought this past summer. The only benefit of the drought was that NH had a year without significant widespread mosquito-borne disease. Catch basins and backyard containers were the main sources of mosquitoes during the latter half of the season.

The New Hampshire State Lab in Concord tested mosquitoes and confirmed there were eight West Nile Virus (WNV) positive mosquito batches from Manchester and Nashua. No human or veterinary cases of WNV were identified in New Hampshire. No Eastern Equine Encephalitis (EEE) was detected. Mosquitoes from Hampstead and Atkinson tested positive for Jamestown Canyon Virus.

Adult mosquitoes were monitored at four locations throughout Sandown. Nearly 4200 mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab where they were tested for diseases July 1st through October 15th. No disease was detected in mosquitoes collected in Sandown this year.

Field work begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, marshes, woodland pools and other wet areas. Dragon has identified 171 larval mosquito habitats in town. Crews checked larval habitats 525 times during the season. There were 72 treatments to eliminate mosquito larvae. Dragon uses a naturally occurring biological product called Bti to control mosquito larvae in wetlands. Bti will not harm people, pets and other animals, aquatic life or other insects. In addition, 161 catch basin treatments were made to combat disease carrying mosquitoes. Dragon used Natular, an organic biological product, to control mosquitoes in catch basins.

Without standing water, mosquitoes can't survive to maturity and spread disease in large numbers. By eliminating standing water around your home during the season, you play an important role in keeping yourself, your family, your pets, and your neighbors safe from mosquito-borne disease.

Residents who do not want their wetlands treated may use our No-Spray Registry online at www.dragonmosquito.com/no-spray-registry or write to Dragon Mosquito Control, PO Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, color of your house and acreage you own. If you've submitted a request in prior years, please contact the office to reaffirm your request. To keep our records current, we need to hear from you each year. Inquiries may be emailed to help@dragonmosquito.com or you may call the office with questions at 603-734-4144.

Respectfully submitted,
Sarah MacGregor
Dragon Mosquito Control, Inc.

Heritage Commission Annual Report 2022

Members : Pamela- Gaudreau Chair, Fran Rosenau -Co-Chair, Peter Koester- Secretary, Paul Wentzell, Sierra Dolce, and Selectman ex Officio member Robert Nickerson.

Project and Event summaries:

The Sandown Heritage Commission was established by a citizen's petition warrant article in 2018 becoming the 66th town to establish a Heritage Commission. The commission is not funded by the town budget but by donations, fundraisers and grants. The Heritage Commission continues its work to research, identify, and preserve Sandown's cultural and historical resources, sites and structures. The commission also assists other town boards and private non profit groups when needed, for projects or issues relevant to the town's historic resources. This year, for example, the commission was asked to survey several town parcels that were being considered for public auction. The commission was asked for recommendations identifying parcels which may be of historic value to the town. The Heritage Commission continues to work on compiling an inventory of Sandown's Historic Resources, which can be incorporated into the master plan. Having a thorough and detailed HRI can facilitate the processing of projects that may come before the town boards as well as access to grant funding for preservation, repairs or maintenance of our historic sites.

The Old Meeting House & Hearse House: The Old Meeting House, managed by the non profit Old Meeting House Association, under the direction of Arlene Bassett, is the jewel of Sandown's historic buildings. It is unique in and of itself, being featured on programs like NH Chronicle and hailed by many as the finest old meeting house in the nation. The Hearse House is an intriguing little building behind the Old Meeting House, being built as a carriage shed for the horse drawn hearse that was used for burial services in town back in the 1800's. Later the building was modified into an outhouse to service the Old Meeting House. In 2020 the Heritage Commission, assisted by town administrator Paula Gulla, was able to get the Hearse House added to the National Historic Registry along with the Old Meeting House. That same year, the Meeting House grounds got a makeover with Eagle Scout Galen Walton restoring the grounds to their original splendor. In 2021 Eagle Scout Gabriel Gerhard completed his Eagle Scout project, sponsored by the Heritage Commission, to repair the Hearse House, replacing the roof, trim and clapboards on the building. There is still one last wall to complete the replacement of clapboards on which we hope to get some this year. The Heritage Commission would like to thank the Old Meeting House Association, the Eagles Scouts, Lane Roofing, Chief Joe Gordon, Kevin Majors, Dave Dupouy and all who helped with the preservation and maintenance of this special pair of historic buildings.

The Red Barn: Located near the Old Meeting House, managed by the Conservation Commission, continues to get some needed improvements. Back in 2019 the Heritage Commission's Co chair, Fran Rosenau applied for and was awarded a grant on behalf off the Conservation Commission, for an assessment performed by "barn whisperer" Bill Coleman. Based on that assessment, the barn continues to get needed improvements and repairs. The latest project this year was an Eagle Scout project by Justin Silva to construct a new cupola built. Hopefully the cupola will be installed in its rightful place on top of the barn soon. Another Scout Project sponsored by the Heritage Commission sponsored was Girl Scout Mackenzie Byron-Chaput's Gold Award project collecting over 1000 lbs of plastic bags, enough to receive two Trex Benches through the recycled "bags to benches" program. She installed the benches at the Red Barn overlooking the pond last year and this year, Pamela Gaudreau, Heritage Chair, had two plaques made for the benches, paid for by the Conservation Commission in appreciation for her service to the community.

Ancient Stone Structures and Native American ceremonial stone sites : The Heritage Commission's chair Pamela Gaudreau and member Paul Wentzell have been recording the many megalithic stone sites and their locations, collecting photographs and researching the sites. The sites have attracted the attention of other local Megalithic researchers as well as Dennis Stone, owner of America's Stonehenge. These sights appear to predate colonial period and are similar to other Neolithic sites all over New England , including nearby America's Stonehenge and the Danville Beehive Hut, reported to be 5,000-7,000 years old. The 2010 discovery of a site in Keene, NH was reported to be the oldest site in North America to date at 12,500 years old. The commission is working to get an interdisciplinary panel of experts to investigate and record these sites. With limited support or resources from state archaeologists to investigate these sites, this November commission

members were thrilled to attend the NEARA Fall Conference where they found a network of support and resources to help investigate the sites in our community. The New England Antiquities Research Association is a non profit organization that focuses exclusively on stone sites, using the latest technologies, like Lidar, Ground penetrating radar, and sedimentary OSL dating and rock surface OSL dating at these sites. For more information check out the link:
<https://neara.org/>

Round Table Event : In February the Heritage Commission hosted a round table event with three other neighboring Heritage Commissions, (Danville, Hampstead and Kingston). The commissions shared project ideas and resources, discussed common goals, experiences and challenges, and ways to help improve our ability to serve our respective communities. The event was well received by the guest commissions who have all agreed to return for another Round Table event scheduled on February 16, 2023.

Education and Outreach:

“Trail Through Time”: The Heritage Commission’s Paul Wentzell has been leading a project to create a trail system that identifies the historic sites throughout the community, inspired by the “Trail Through Time” trail system in Acton Massachusetts. This will be a long term project, starting with designing kiosks and historic markers to be placed at the historic sites and eventually connect the sites with a trail system that allows hikers to learn about Sandown’s rich history as they hike the trails. The commission hopes to coordinate with other town groups to help create these trails, kiosks and historic markers over time.

Presentations: In May, the Heritage Commission’s Fran Rosenau organized two presentations. One was “A History of Agriculture as Told By Barns”, with John Porter, a third generation farmer discussed the importance of preserving farming and old barns. The program was sponsored by a grant from the NH Humanities. The other was an antique appraisal event where folks brought antique items to be identified and appraised by Appraiser Auctioneer Ron Wacowski. The event was such fun success the commission has scheduled another for the Spring of 2023. The commission would also like to thank Fran Rosenau for her fundraising efforts through Yard sale events.

Old Home Days: Member Sierra Dolce represented the Sandown Heritage Commission at the Sandown old Home Days where she featured the republished 3rd Edition of local author and historian Richard Holmes’ book: A View From Meeting House Hill” as well as free commemorative tokens designed by Commission Secretary Peter Koester.

Guided hikes: Heritage Commission Chair Pamela Gaudreau organized two guided hikes featuring historical sites in Sandown, partnering with the Sandown Historical Society, Old Meetinghouse Association and the Conservation Commission. The first hike started with a tour of the Depot, then proceeded along the state railroad bed trail, to a wooded trail leading to the Red Barn, then on to a tour of the Old Meeting House. The Commission would like to thank the Historical Society’s Heidie Traeger, Heather Rosati and Josie Dupuoy, the Old Meeting House’s Arlene Basset and Conservation Commission’s Mark Traeger for assisting with this event. The second hike was a 4 mile hike along the old historic Hersey Rd from Sandown into Danville Bee Hive Hut, exploring the many ancient stone sites “hidden in plain site” all along the trail.

The Heritage Commission would like to thank the community for its support as one of the newer commissions in the state. The commission is looking for one or two additional alternate members. Our regularly scheduled meetings are held on the first Thursday of each month and the public is welcome! If you would like to know more about the SHC or are interested in joining, feel free to visit our website at sandown.us , or visit us on FB.

Respectfully Submitted, Pamela M Gaudreau, Chair

Fax# 603-887-5163**

In 2022, the projects for the Road Improvement Plan went very well. The second phase of Odell Road was very successful. We were able to complete the reconstruction and paving of Odell Road to Fremont Road. We also completed reconstruction and paving of a portion of Cross Road and approximately 1,500' of Phillips Road. In addition, we reconstructed drainage and repaved Royal Range Extension and Hunt Pond Road. We performed extensive brush trimming and swale cleaning and repairs throughout town.

The Highway Department welcomed Joshua Bilodeau, our new full-time employee. We are asking the voters to support the road improvement program and we look forward to another productive year ahead.

Respectfully submitted,

Arthur Genualdo
Public Works Director

2022 was a great year for the Library and our patrons. This year saw the completion and formal dedication of the Hazel Marlow Learning Pavilion, followed by a fantastic show by Mr. Aaron for everyone in attendance. We opened the Music Garden (just outside the Children’s Room) and have seen (and heard) great enthusiasm for this wonderful grant-funded project.

Patrons found their way back to the Library, borrowing more both in-person and electronically than any time in the past 3 years – but that’s not all: We also held significantly more programs this year – and you all sure showed your appreciation! Folks are clearly becoming more comfortable with in-person events, and our 20% increase in attendance sent that message loud and clear. We’ll be offering even more programs in 2023.

The Library continues to expand our other offerings too, both “things” we lend (the metal detector, the drone, the Nintendo Switch, etc.) and our reading materials, adding an eclectic collection of new books that are different from our main collection - a bit “out there”, fun and humorous, dark and provocative, or unusual and supernatural – and sometimes all of these things in one book. We pride ourselves on having something for everyone – let us know what you’re reading and want to read.

We noticed that whatever you’re reading, you’ve read more of it electronically in 2022 than the previous 2 years – the Library’s circulation of electronic materials increased again as a percentage of our total circulation.

While publishers and movie studios alike continue to limit what is available outside of streaming services, we offer great films, tv shows, and documentaries through Hoopla and Kanopy and we encourage our patrons to explore the extensive magazine selection on Libby, the app that connects to the New Hampshire Downloadable Book (NHDB) collection.

When you visit the library building, you see that we have added a large screen TV upstairs in the Friend’s Corner to accommodate accessible adult programming. Spring of 2023 will see the construction of a small quiet study room for individuals and small groups. Make sure to stop by to see our giant Lite-Brite in the Children’s Room where our youngest patrons create new designs almost every day!

We hope the public continues to enjoy the services we offer and take advantage of them often. We’re here for you Sandown, from books and DVDs, mahjong and drones, kids and adult programs and games, or just a quiet place to sit and relax.

Adam Shlager, Library Director

SANDOWN PLANNING BOARD

The Planning Board was led in 2022 by Chairman John White, Vice Chairman Ernest Brown, and Secretary Ed Mencis. The Board's actions this year included:

- Conditional Approval of a minor 3-lot subdivision located off Odell Road and Hersey Road
- Approval of a minor 3-lot subdivision located at the corner of Odell Road and Pine Ridge Circle
- Approval of a lot line adjustment application submitted by Andrew Pellerin and The Bradley & Denice Walker Rev. Trust for their properties located at 8 Laurel Hill Drive & 14 Hemlock Circle
- Approved an application for a small subdivision of a property located at 607 Main Street
- Approved a site plan for Sandlot Sports, located at 8 Sandlot Way
- Approved an application for a small subdivision of a property located at 171 Main Street
- Approved a site plan for Chesterbrook School of Natural Learning, located at 232 Fremont Road in Chester NH
- Approved a Conditional Use Permit for the replacement of 5 existing power structures for Eversource. The work took place at both Cross Road and Wells Village Road
- Approved a condominium conversion for a property located at 156 Little Mill Road
- Approved a site plan for Triple Elm, located at 323 Main Street

The Planning Board is currently working on revising portions of the Site Plan Regulations. So far, the board has adopted new landscape regulations for the Site Plan Regulations. The board continue to work on the Site Access and Parking portion of the Site Plan Regulations continuing into the new year.

The Planning Board welcomed Mr. George Grivas and Mr. Jonathan Sheats as full time members in March of 2022. The Board also saw the departure of Mr. Leo Reynolds and Ms. Amanda Knight. In addition to changes in Board membership, members of the Planning Board offered best wishes to former Administrative Assistant Ms. Colleen Olsen as she begins her career in municipal planning. The board would also like to thank Town Engineer Steve Keach for his years of service in providing valuable advice and feedback. Mr. Keach has served in this capacity since 1995.

Respectfully: John White – Chairman; Ernest Brown - Vice Chairman; Ed Mencis – Secretary; Thomas Tombarello – Ex-Officio; Tricia Edris; Jonathan Sheats; and George Grivas

Chief Joseph A. Gordon

Sandown Police Department

P.O. Box 309
460 Main Street
Sandown, N.H. 03873
Business: (603) 887-3887
Fax: (603) 887-6887

2022 was a year of growth for The Sandown Police Department. Our Officers continued to receive continuing education. We aim to have different officers “specialized” in various areas of police work. This way, we can have a subject expert when those situations arise. Our new Officers are coming into their own and gained valuable on-the-job experience this year. 2023 will see some new faces in the department. Our Facebook Page is becoming a little more active in distributing information to the community.

Towards the end of the year, we learned that we would lose another long-term employee to retirement. Lt. Sable announced that he is pulling the plug after 24 years of serving the Citizens of Sandown. This will be a massive loss to the Town and The Department. Lt. Sable’s computer and law knowledge is expansive. LT. Sable also served 20 years with the Air National Guard. We wish him luck as he finishes his master’s degree in Psychology.

The department continues to be active in the community. Whether visiting lemonade stands, tours of the police department, interacting with Sandown North Elementary School and Timberlane Learning Center, or Helping the Senior Ride Program, our Officers genuinely enjoy being part of the community. We want to expand our community involvement by offering some new programs in 2023.

Identity fraud and computer crimes continue to happen all too frequently, and a lot of the time, the perpetrators are overseas. In a digital world, if your passwords are compromised, it can lead to your personal information falling into the wrong hands. So please take time to create strong passwords. Stay away from the most common passwords like ‘123456’ & ‘password.’

Also, be aware of your children’s activities online. Unfortunately, we hear all too often of predators stalking children online.

We continue to run a very active Police Explorer Program. We currently have ten youths participating in the program. The Explorers held their 5-mile, 5k, and kids’ road race this year. They also participated in the holiday meal distribution and assisted with parking during Memorial Day and Old Home Day Fireworks. We thank Sgt. Buco, Officer Dresser, Officer Payette, and Officer Collins, for their time and dedication to this program as advisors. Seth Wolfe, who aged out of the program, has now joined the program as an advisor. Seth works as a corrections officer and serves in the Army National Guard.

If you know any youth 14-20 years of age that would be interested, please have them contact one of our advisors.

Sandown Officers again participated in the Beard for Bucks fundraising program for Rockingham County Child Advocacy Center. Officers raised just over \$7,700 placing Sandown at the number 4 department in the county, and Sgt. Buco took the number 4 individual fundraiser spot in the county and number 11 in the state. We thank everyone that helped this fantastic cause.

In closing, I would like to thank all the citizens for their continued support of the Police Department and its Officers.

Joseph Gordon
Chief of Police

Sandown Recreation Commission & Parks and Recreation Department
25 Pheasant Run Drive
Sandown, NH 03873
603-887-1872

Recreation Commission Members:

George Blasidell, Chairman 2025

Darren Hudgins, ex officio 2024

Ben Sharp 2024

Heidi Dyer 2024

Christopher Longchamps 2023

The Recreation Commission, in accordance with 'RSA Chapter 35-B: Public Recreation and Parks', oversees the Parks and Recreation Department which maintains town owned recreational facilities and offers recreational activities for all ages. Maintained facilities encompass approximately 20 acres including baseball and softball fields; a public beach; outdoor basketball court; 2 playgrounds and a year-round recreation building that is located on approximately 8 acres and includes a 3-acre multi-purpose playing field and playground.

2022 had a fantastic summer, filled with sports, swimming, and day trips. Campers enjoyed going to Canobie Lake Park, a color run, our 2022 Olympic week, and so much more. At the beginning of the school year, our three clubs started, Homeschool Club, Toddler Time, and our After School program. Each club worked throughout the school year learning about different projects such as team management, STEAM skills, and collaboration skills. The Sandown Baseball/Softball Association returned in the Spring to practice, and to play games at the Roy L. Miller fields over the Summer. Timberlane Youth Soccer League also maintained a full schedule of games on the fields of the Edward C Garvey recreation facility nearly every Saturday this spring and fall.

We continued the year with Movie Magic Nights, working with the Sandown Library to bring outdoor movie nights to the community. In early October, in its 22nd year, the annual town wide yard sale took place, with proceeds from registrations benefiting the Rockingham Meals-On-Wheels holiday program that provides items such as warm clothing; blankets; hats; gloves and more to elderly Sandown residents in need. Also in October, over 60 residents enjoyed the annual Senior Dinner held at Zorvino's Vineyard. At the end of the month, Sandown Recreation hosted our first ever Monster Mash Halloween party! 80 families enjoyed face painting, games, painting, a spooky story, and of course our Halloween egg hunt! During November we had our first ever Turkey Hunt, where families were able to drive around town to look for all the hidden turkeys.

In December, we had the honor of hosting Sandown's 10th annual tree lighting. Families from all over came to enjoy songs sung by the Sandown North Children's Chorus, crafts, snacks, and of course a special visit from Santa himself! Following the tree lighting, we had our first ever toy consignment sale, and phone calls from Santa himself.

The number of private group rentals at the facility increased in 2022 when compared to the number of reservations in 2021. Many programming opportunities for all ages were offered throughout the year and efforts will continue in 2023 to meet the needs of the community. Please visit the Recreation calendar on our website for all upcoming events.

In closing, we hope that all residents have noticed the replacement of the sign on Main St, at the junction of Griffin Hill Rd, for the Roy L Miller Fields.

Respectfully submitted,
Sandown Recreation Commission

TOWN OF SANDOWN, NH

**Highway/Sanitation Department
320 Main Street/P.O. Box 1756
Sandown, NH 03873
603-887-3484
Fax# 603-887-5163**

In 2022, the Sanitation Department continued to be busy. The crew has handled it well and will continue to handle it in the future.

You must have a sticker to utilize the transfer station. Stickers can be obtained at the transfer station with proper identification and your motor vehicle registration. We ask that you follow the transfer station rules. Many of those rules are a result of the mandates the State has imposed on the town. If you have any questions, please ask an attendant.

Recycling has rebounded a bit. We are making some adjustments with new vendors, hoping recycling continues to grow since it is less expensive than having materials go into household trash.

I would like to thank Southeast Regional Refuse Disposal, Northeast Resource Recovery Association, Waste Management, Great Rate Container Service, JD Recyclables and all of our employees.

Respectfully submitted,

Arthur Genualdo
Public Works Director

Sandown Senior Affairs Transportation Program (SSATP)

This group of volunteers was formed in 2013 to help the senior residents of Sandown who have limited transportation options with medical appointment related transportation needs.

We provide safe, friendly rides to Sandown senior residents who are ill or with limited mobility and in need of transport to doctor, dentist, and medical treatments free of charge. Any passenger information given to SSATP is strictly confidential.

Transportation is available Monday through Friday from 8:00 am to 3:00 pm depending on our drivers' availability. Pre-registration is required to participate in the program. We provide transport from Sandown to as far away as Portsmouth, Concord, North Andover and occasional visits to the VA in Boston. All requested destinations are at the discretion of the volunteer drivers.

All volunteer drivers have a driving history and background check completed by the Sandown Police Dept. and the NH Department of Safety before driving for SSATP.

Those interested in obtaining more information about the program are invited to email SandownRides@gmail.com or contact the Sandown Town Hall Selectmen's office.

In 2022 our volunteers provided 95 round trip rides totaling 3,230 miles. Since the program began, we have assisted our residents with a total of 1,422 rides that amounted to 56,898 miles.

We always have a need for additional volunteer drivers to help ensure we are able to fulfill all ride requests. A driver that can help with 1 ride a month makes a big difference to our residents in need! Driver's sign-up for rides based on the driver's availability and are reimbursed 25 cents/mile.

We are currently looking for someone to take on the role of Director for this program. Responsibilities include reviewing new riders' eligibility, scheduling rides and attending monthly board meetings. We are also looking for someone to do just the scheduling of rides which can be done from home typically in less than 2hrs/week. Board meetings are held on the first Tuesday of the month at 7 PM at the town hall. All meetings are open to the public.

Respectfully Submitted,

Scott Bickford

Acting Director, Treasurer & Driver for Sandown Senior Affairs

Northeast Resource Recovery Association

"Partnering to make recycling strong through economic and environmentally sound solutions"

SANDOWN, NH, TOWN OF CONGRATULATIONS FOR BEING SUCH ACTIVE RECYCLERS!

Below please find information on the positive impact your recycling has had on our environment. The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

RECYCLABLE MATERIAL	2022 RECYCLED AMOUNTS	ENVIRONMENTAL IMPACT! Here is <u>only one</u> benefit of recycling materials rather than manufacturing products from virgin resources.
ALUMINUM CANS	18,620.00 LBS	 You conserved enough energy to power about 15.83 homes for a year!
ELECTRONIC DEVICES	27,783.00 LBS	 You conserved enough energy to fire up about 601.50 propane BBQ grills!
PAPER	299,880.00 LBS	 You conserved enough energy to charge about 61,100,999.82 cell phones!
TIRES	20,555.00 LBS	 You conserved the equivalent of about 4,316.55 pounds of coal being burned!

AVOIDED EMISSIONS

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By recycling the materials above, you avoided about **1,393,601.09 lbs. of carbon dioxide emissions**. This is the equivalent of removing about **137.42 passenger cars** from the road for an entire year.

**The above data was calculated using the U.S. Environmental Protection Agency's Waste Reduction Model (WARM).
